*Please note pricing in this information packet is for estimating purposes and is not necessarily your exact cost. Pricing is for materials only

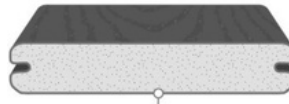

Deck Materials

PVC

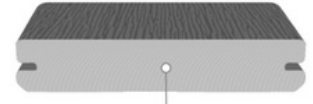

NO WOOD

COMPOSITE

WOOD FIBER CORE

WOOD

SOLID WOOD

PROS:

- Most PVC decking products carry the industries best warranties
- Heat dissipates quicker due to low density
- Lightweight to handle

CONS:

- Higher average cost
- Expands and contracts more than other products

PROS:

- Look of wood without the need to stain
- Generally lower cost than PVC decking options
- Less expansion and contraction

CONS:

- Higher density
- Tends to retain heat longer than other decking products

PROS:

- Authenticity and raw beauty
- Ability to refinish over time

CONS:

- Wood tends to warp, crack, split and weather over time
- Maintenance over time
- No warranty

Wood Decking

Red Balau Mahogany

COLOR:

STAIN:

Ipe Oil™
Hardwood Deck Finish
Deckwise Ipe Oil

SIZES:

5/4X6
8'-16'

PRICE:

\$\$

Premium Red Balau decking is extremely strong and durable while being resistant to rot and decay. Being a natural wood, it needs to be sealed or stained to maintain its beauty.

Brazilian IPE

COLOR:

STAIN:

Ipe Oil™
Hardwood Deck Finish
Deckwise Ipe Oil

SIZES:

5/4X6
8'-16'

PRICE:

\$\$\$\$

A premium, ultra-dense Brazilian hardwood known for extreme durability. It is highly resistant to rot, pests, and decay. While offering unmatched longevity and a rich, natural look.

North American Black Locust

COLOR:

STAIN:

Ipe Oil™
Hardwood Deck Finish
Deckwise Ipe Oil

SIZES:

5/4X6
8'-16'

PRICE:

\$\$\$\$

An exceptionally durable, sustainable, and rot-resistant North American hardwood. Often considered a eco-friendly alternative to tropical hardwoods.

Benchmark Ash Thermory

COLOR:

STAIN:

PREFINISHED
CUTEK EXTREME
CLEAR

SIZES:

5/4X6
8'-16'

PRICE:

\$\$\$\$

Thermory Benchmark Ash decking is exceptionally durable and dimensionally stable with deep, rich color. In short, Benchmark Ash is timeless, long-lasting, barefoot-friendly, installs-in-a-breeze, real wood dream deck.

Natural Accoya

COLOR:

STAIN:

UNFINISHED

SIZES:

5/4X6
8'-16'

PRICE:

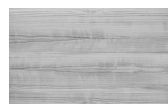

\$\$\$\$

Standard Accoya decking offers timeless appeal. Leave untreated to allow the timber to weather naturally, or achieve your desired finish with a coating or treatment.

Grey Accoya

COLOR:

STAIN:

UNFINISHED

SIZES:

5/4X6
8'-16'

PRICE:

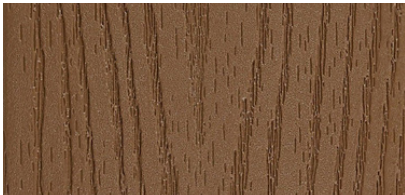

\$\$\$\$

Accoya Color Grey redefines what is possible with wooden decking. Pre-colored through to the core, it combines the natural beauty of real wood with rich, lasting color that never fades or washes out.

Composite Railing

APPROXIMATE COST:

\$32 LF - \$72 LF

Composite railing systems are a popular choice for both residential and commercial structures, providing a blend of aesthetic appeal and practical functionality. Unlike traditional wood railings, composite options are resistant to rot, insects, and harsh weather conditions, making them an ideal choice for outdoor spaces. Available in a variety of colors and styles, composite railings can complement any architectural design, enhancing the overall curb appeal of a property.

Aluminum Railing

APPROXIMATE COST:

\$54 LF - \$130 LF

Aluminum railing is a popular choice for both residential and commercial properties due to its durability, low maintenance, and aesthetic appeal. Unlike wood, aluminum does not rot, warp, or require frequent painting, making it an ideal option for outdoor use. It is lightweight yet strong, offering excellent resistance to corrosion and weathering. Available in various styles and finishes, aluminum railings can complement a wide range of architectural designs, from modern to traditional.

TIMBERTECH PRIVACY SCREEN

Cable Railing

APPROXIMATE COST:
\$85 LF - \$210 LF

Cable railing has become a popular choice for outdoor spaces, offering both style and functionality. Known for its sleek and modern appearance, cable railing is typically constructed using stainless steel cables that provide a durable and low-maintenance option. One of the most significant advantages of cable railing is its ability to offer unobstructed views, making it ideal for decks, balconies, and patios where the surrounding landscape is a key feature.

Fasteners

Trex Universal Plastic Clips

Has a clip and a screw that slides into the groove of 2 deck boards - Quick and easy installation - Cost effective - Pregaps the decking for straight lines - Does not mechanically attach decking to framing

Approx. cost \$1.00 per Sq Ft

TimberTech Concealoc Stainless Steel Clips

A stainless steel strong connector - Keeps the decking in straight lines can't be used in stairs or rim boards - Good system although it does not mechanically attach the decking to the framing

Approx. cost \$2.00 per Sq Ft

Grip-Rite Ninja Hidden Deck Clip

Engineered for grooved deck boards, these hidden deck fasteners provide a fastener-free finish, making them perfect for both DIY deck builders and professional contractors.

Approx. cost \$1.00 per Sq Ft

The CAMO® Edge Deck Fastening System

Works on any treated lumber, hardwood, cedar, composite, or PVC deck board. CAMO® deck screws and a CAMO® Marksman tool combine to deliver a fastener-free deck surface at a price that makes getting the job easy and installing the deck even easier. CAMO® offers a Limited Lifetime Warranty that guarantees against rust and corrosion for the life of the project. CAMO® has been used on composite products but generally not covered by manufacture's installation warranty.

Retail Price approx. \$1.00 per Sq Ft

Cortex / Proplug Hidden Screw & Plug Systems

Screw and plug systems are made for nearly every decking brand and color available to the market - Commonly used for boarders and stair in conjunction with a clip or CAMO system to provide a totally hidden fastened deck

Retail Price approx. \$1.50 per LF

Face screws

Multitude of different types and colors - Face screws normally not used except where clips or concealed connectors can't be used although it is the strongest method of securing the decking to the framing

Approx. cost \$.20-.45 per Sq Ft
